"Pay Data Center is much faster than our previous method; transaction approval is almost instant! Saving both time and money, I recommend Pay Data Center for every DAKCS Customer!"

Jeff Powell - Owner
Collection Services, Inc.

TRIPLE your Credit Card Payments right NOW!

Pay Data Center is payment automation at it's finest! Time consuming, repetitive office processes are now exponentially faster. What use to take *15 minutes* now takes *15 seconds!*

Enterprising businesses have already realized significant increases in the number of payments processed. Pay Data Center delivers quality and quantity! Avoid "wait and hope" -- promise-to-pay has become obsolete with the integration of recurring payments!

Save time, labor, input errors, seemingly endless return phone calls, and office costs, while improving employee productivity. Establish predictable cash flow and start increasing your revenue today!

Increase Profit Instantly!

Credit Card Processing Comparison	Manual Process Agency	Pay Data Center Agency
Labor Cost (@12hr wage)	\$3.00 (15 Minutes)	\$0.05 (15 Seconds!)
Average Vendor Fee	2.50	2.75
PDC Fee	0.00	0.50
Total Cost each \$1.00 transaction	\$5.50	\$3.30!

You do the Math!
