

# PAY DATA CENTER, LLC

## PDC EXPRESS

*Offer Credit Card Payment options to your Customers*

*--through DAKCS' @Client Services!*

DAKCS has partnered with Pay Data Center to create PDC eXpress! Your clients can efficiently process credit card payments for patients and customers through the four major credit card companies:

*Provide a valuable product offering to your Sales Team*

### *What are the benefits for DAKCS customers?*

- Expand your client base with new and varied clients
- Increase the value of your service to existing clients
- Easy to demo and sell
- Reduce your credit card costs by creating more over-all volume
- Create an additional revenue stream for your business through a service fee on each transaction

### *What are the benefits for our customer's clients?*

- A superior way of securing credit card payments from their customers
- All credit card funds are electronically transferred to their bank within 48 hours
- Instantly printing receipts
- Ability to view, print and save all transactions by date range
- Assess a convenience fee to offset the costs
- All major credit cards can be accepted
- Over-all cost saving
